As a reminder to those who may be curious about inclement weather decisions, please note that we will always close schools if roads are unsafe, even if the conditions are unsafe in only one of our towns. All of our elementary schools feed into Lamoille Union Middle and High Schools and our busses travel through all of our towns. We will never second guess our road crews, who are our best source of information about the roads. They work tirelessly to keep us safe and we extend our thanks and gratitude for their commitment to our safety.

In community news from Healthy Lamoille Valley, please see information about a workshop on talking with teens and tweens:

Talk They Hear You - Tips for Talking with Teens and Tweens

Morrisville Centennial Library, January 24, 2023, 6:00PM

Join other parents/caregivers to explore resources for meaningful conversations with your tweens and teens. Yummy snacks will be served. Childcare available. Please pre-register by emailing info@centenniallibrary.org.

SAVE THE DATE! In school news, we are hosting our 2022-2023 Annual Meeting on February 20, 2023, at Green Mountain Technology & Career Center in the CEC, from 6:30 pm – 8:00 pm. Although the official business of the evening will not begin until 7:00 pm, we invite you to join us early for a meal! You can find our Annual Meeting

Warning on our website [HERE](#).

We will provide food and drinks, and childcare services as needed, similar to what we did for those who attended our community forum in December. Please be on the lookout over the next few weeks for detailed information about the meeting, our proposed budget with investment priorities, and our Annual Reports. We look forward to answering your questions at the meeting and welcoming all of our community members!

The event is an opportunity to engage with school administrators, leadership, and school board representatives from your community to hear about all that is happening in our schools to provide the best education and support for our students! This is a school district open meeting and all community members are welcome to attend! We look forward to seeing you!

As always, I continue to be so grateful for our Lamoille North community members and the strong relationships we have built together. Thank you again for your collaboration, compassion and dedication to the wellbeing of our students, staff and families.

My best to you,

Catherine Gallagher, M.Ed.
Superintendent of Schools
Lamoille North Supervisory Union
